The Hope Dealer, Jeremy Bates, is featured in this one-of-a-kind prevention program that infuses live, interactive music, with thought provoking, relevant content, challenging young adults to make healthy choices that reflect the greatness they deserve.

Growing up in a family defined by addiction and dysfunction, Jeremy knows first hand the importance of developing resiliency, cultivating dreams, and never losing hope. Living through trauma, drug and alcohol abuse, and abandonment as a child, Jeremy has an amazing, compelling story to share.

The Hope Dealer takes audiences on a journey through his life to demonstrate how "H-bombs" (hope, humor, head, and heart) are at the core of the choices we make, especially those involving underage drinking, and drunk driving. Arming both audience members with the same "H's" that saved his life, everyone will want to join the ranks of the Hope Dealers!
