Who's Who

Thirty-six students at the University of Louisiana at Lafayette have been included on the 2015 list for "Who's Who Among Students in American Universities and Colleges."

Inclusion in "Who's Who Among Students in American Universities and Colleges" is based on several factors, according to information on the organization's online site. Selection factors include: GPA, participation and leadership within school organizations and extracurricular activities, community involvement, and future leadership ability or potential.

The honor is bestowed upon students at 2,842 schools in 50 states and the District of Columbia. Recipients are selected based on nominations by committees at their respective schools. Students are not allowed to nominate themselves.

Below is a list of the UL Lafayette students selected for this year's "Who's Who Among American Universities and Colleges":
